

# **WORLD HOLDINGS INTERNATIONAL BUSINESS DEVELOPMENT**

# WHAT WE DO

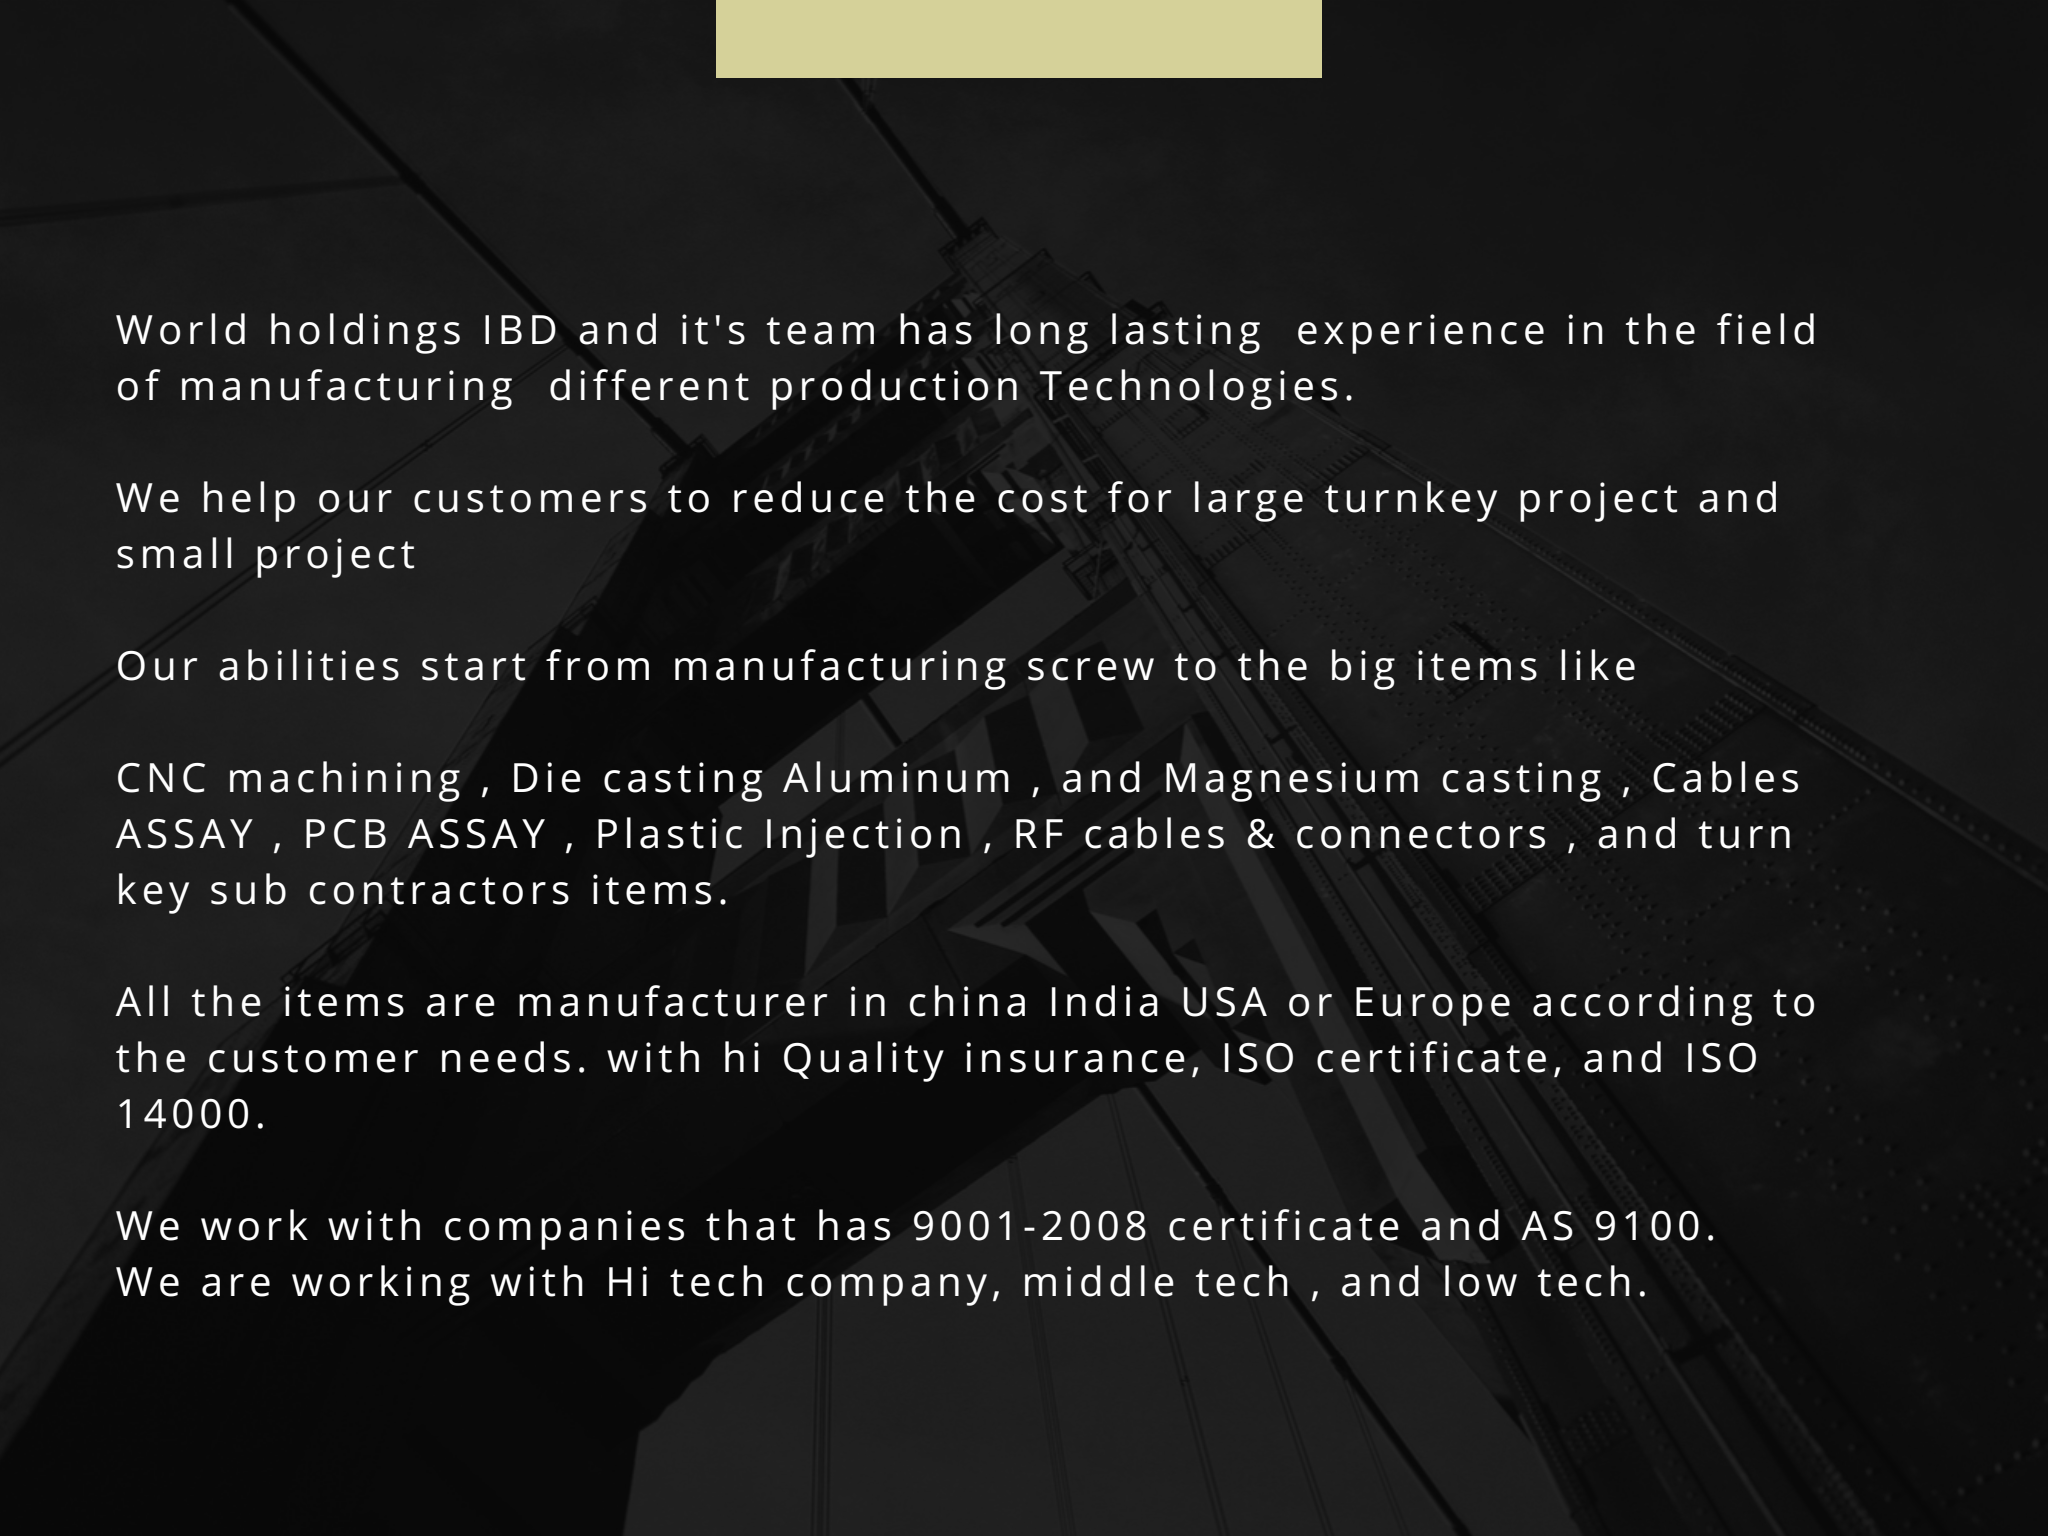

We help companies with cost reduction for a big project and for any parts according to the customer needs we can manufacture variety of parts from the screws to the big item as CNC machining , Die casting Aluminum , and Magnesium casting , Cables ASSAY , PCB ASSAY , Plastic Injection , RF cables & connectors , and turn key sub contractors items.

We help companies with Cost reduction for a large and small project according to the customer needs.

**WE BRING OUR EXPERIENCE AND  
KNOWLEDGE OF THE CNC MACHINING  
MARKET IN CHINA INDIA USA AND  
EUROPE.**

World holdings IBD and it's team has long lasting experience in the field of manufacturing different production Technologies.

We help our customers to reduce the cost for large turnkey project and small project

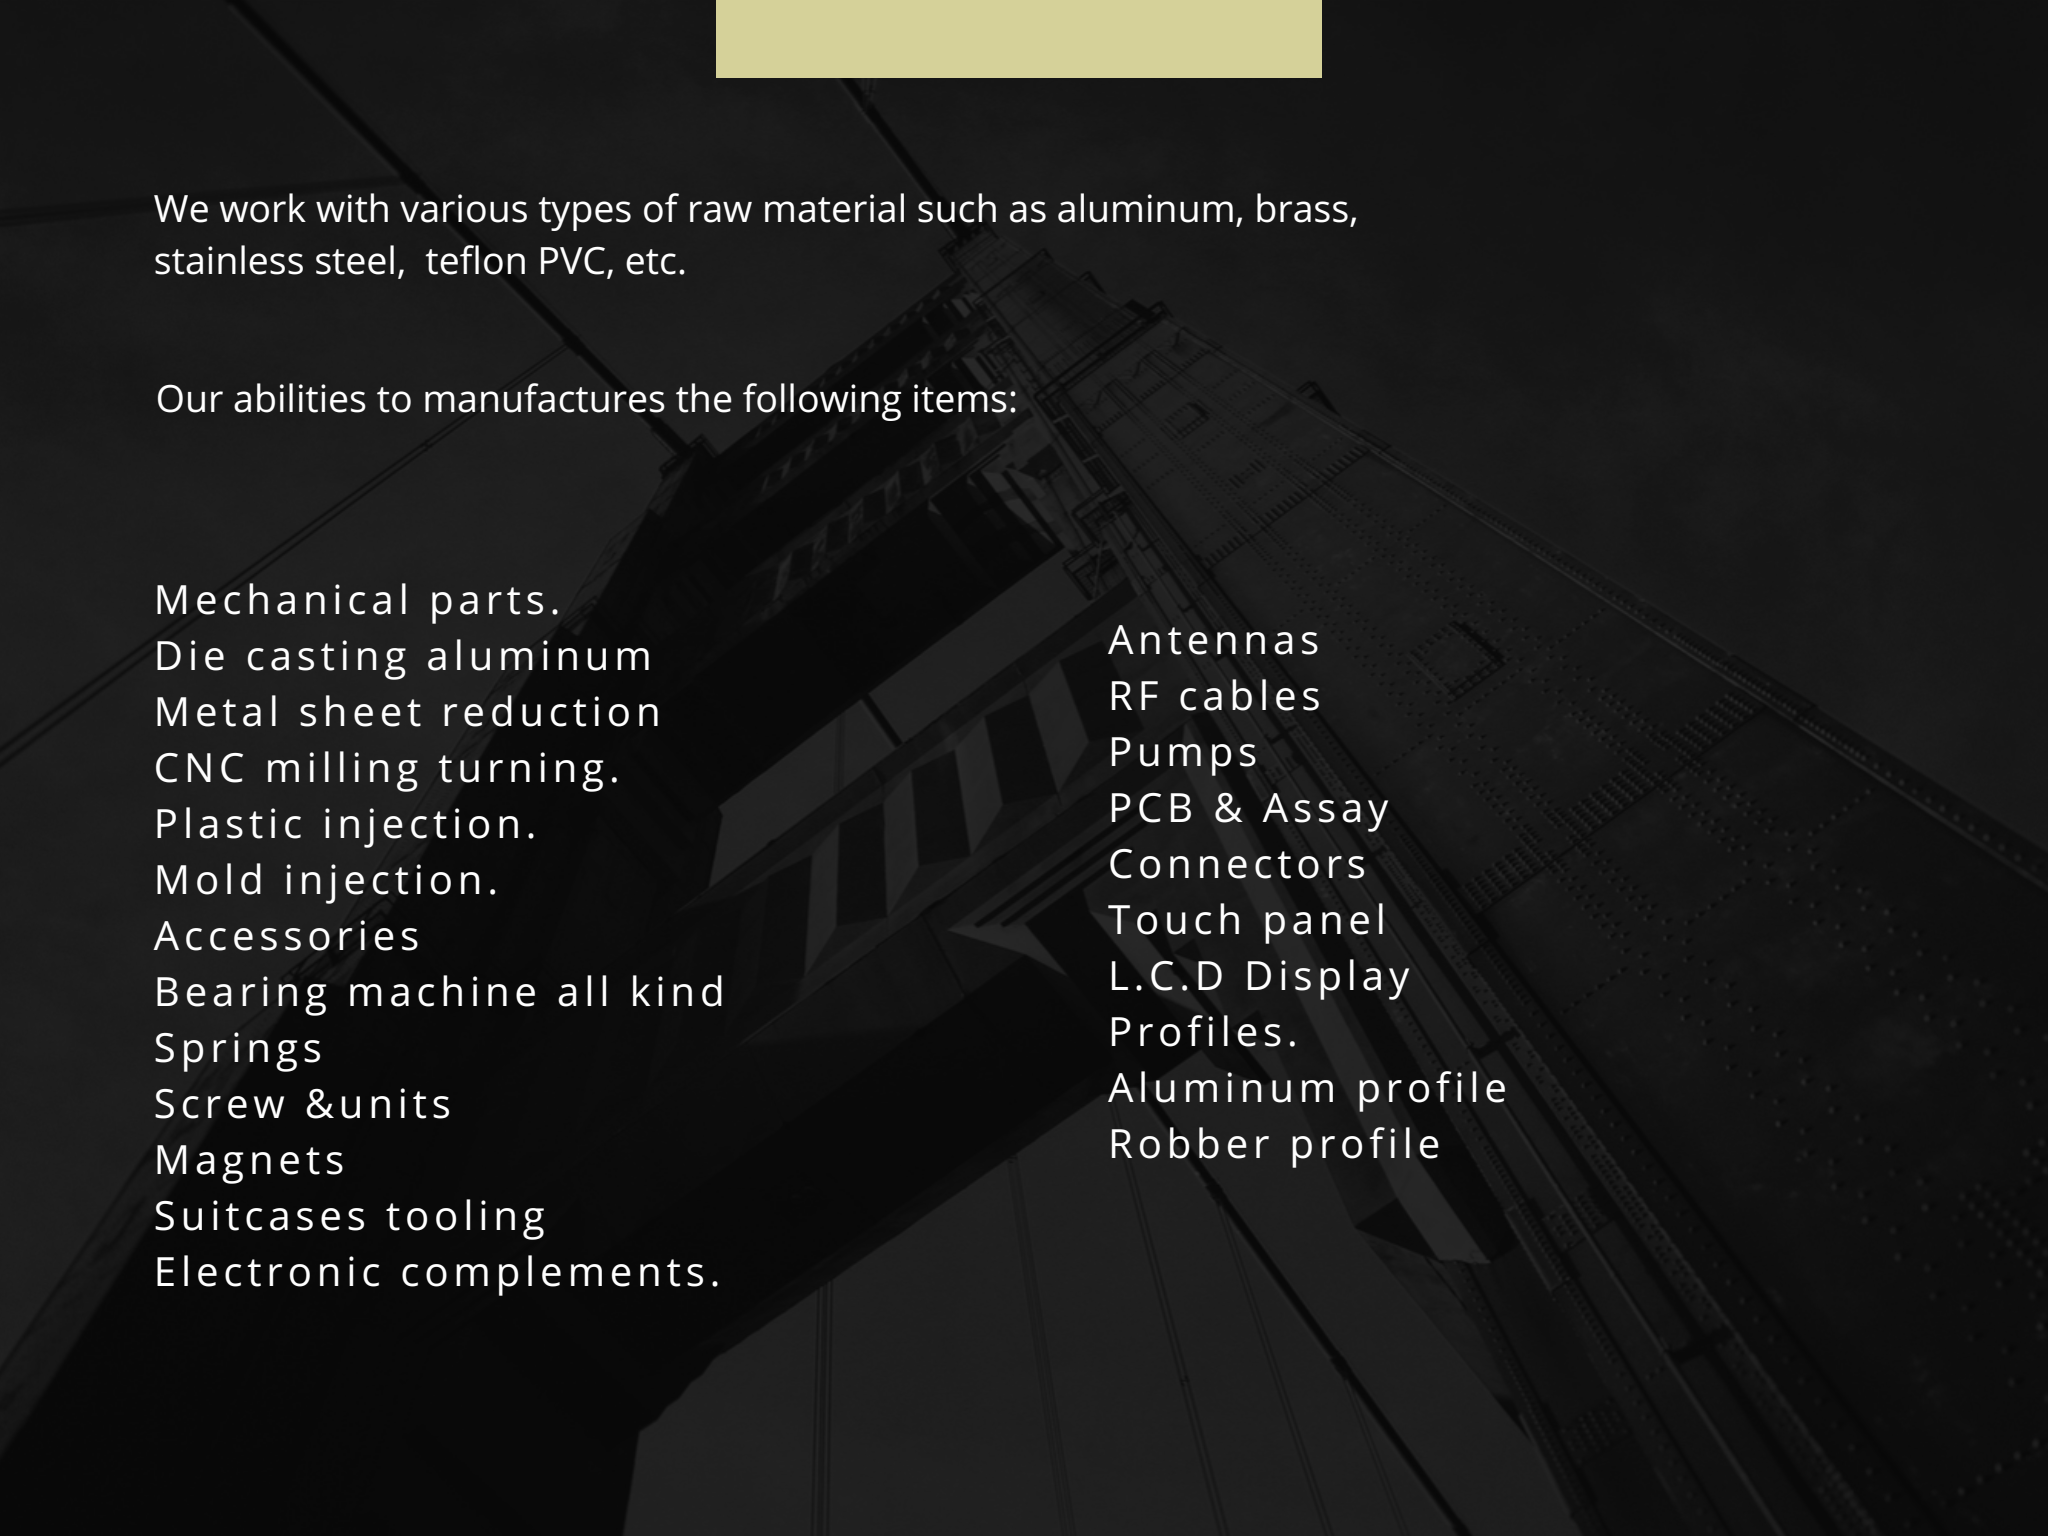

Our abilities start from manufacturing screw to the big items like

CNC machining , Die casting Aluminum , and Magnesium casting , Cables ASSAY , PCB ASSAY , Plastic Injection , RF cables & connectors , and turn key sub contractors items.

All the items are manufacturer in china India USA or Europe according to the customer needs. with hi Quality insurance, ISO certificate, and ISO 14000.

We work with companies that has 9001-2008 certificate and AS 9100.  
We are working with Hi tech company, middle tech , and low tech.

We work with various types of raw material such as aluminum, brass, stainless steel, teflon PVC, etc.

Our abilities to manufactures the following items:

Mechanical parts.  
Die casting aluminum  
Metal sheet reduction  
CNC milling turning.  
Plastic injection.  
Mold injection.  
Accessories  
Bearing machine all kind  
Springs  
Screw & units  
Magnets  
Suitcases tooling  
Electronic complements.

Antennas  
RF cables  
Pumps  
PCB & Assay  
Connectors  
Touch panel  
L.C.D Display  
Profiles.  
Aluminum profile  
Robber profile

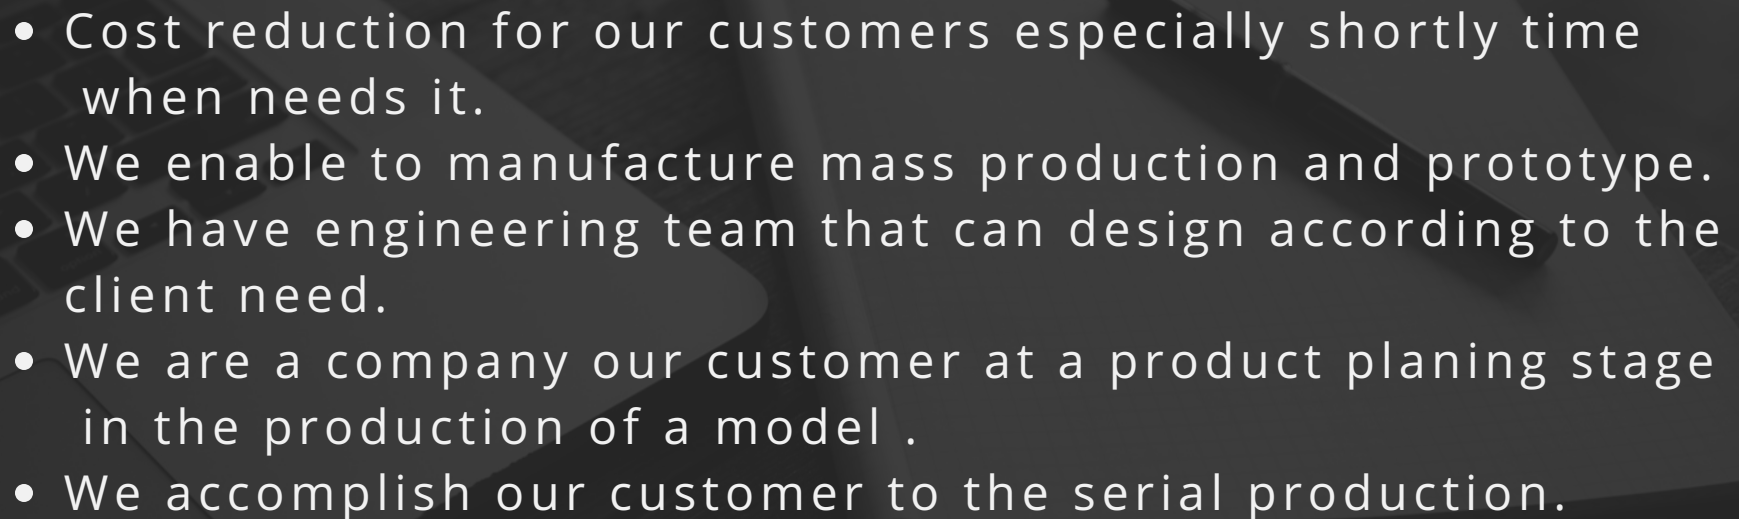

# THE COMPANY COMMITTED TO:

- High-quality
- Good delivery time
- Flexibility
- Cost reduction for our customers
- We enable to manufacturer mass production and prototype

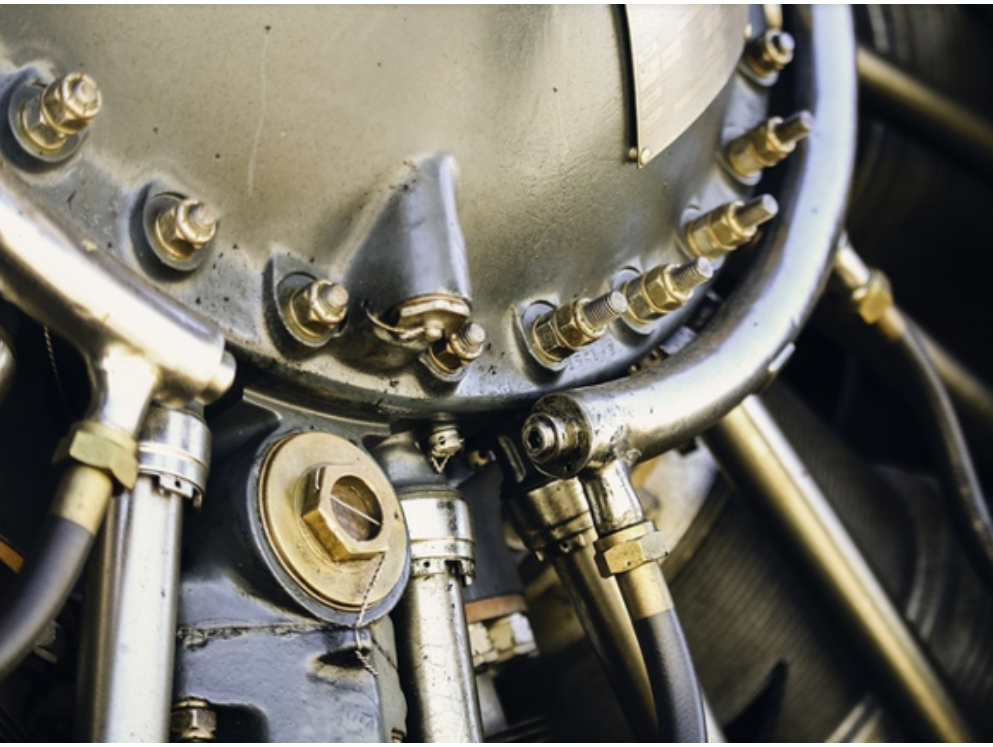

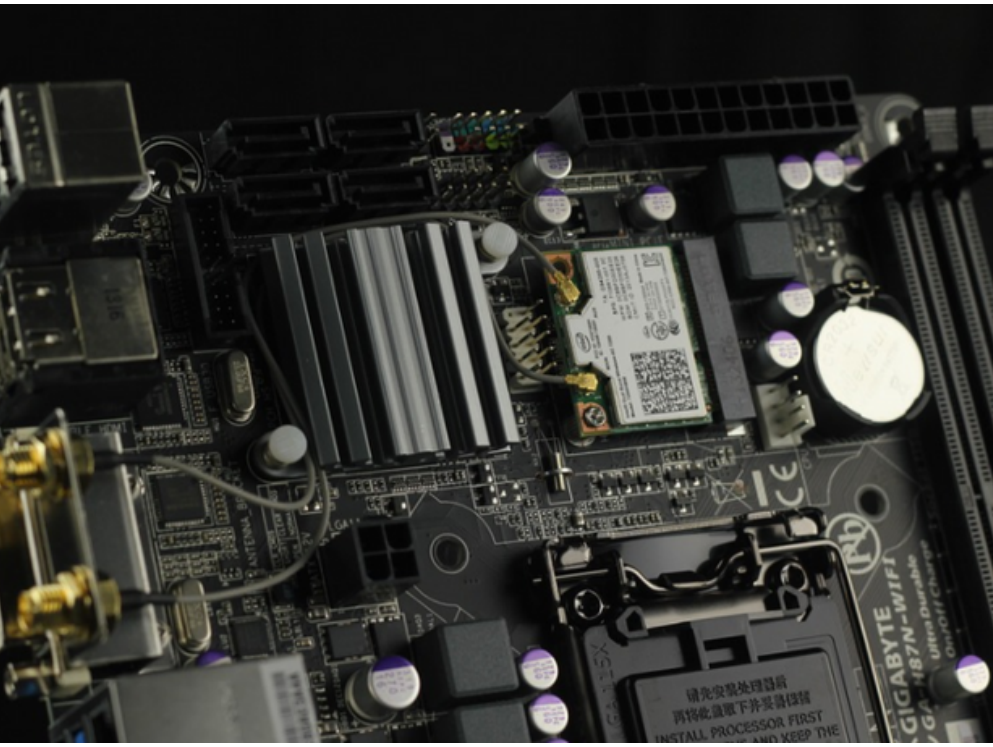

- Reliability
- Competitive price
- High-level service
- Shorty delivery time when needs it.
- IBD services to many companies in Israel and internationally in various fields, among them – Laser, Electro-Optics, medical robotics Aviation and more.

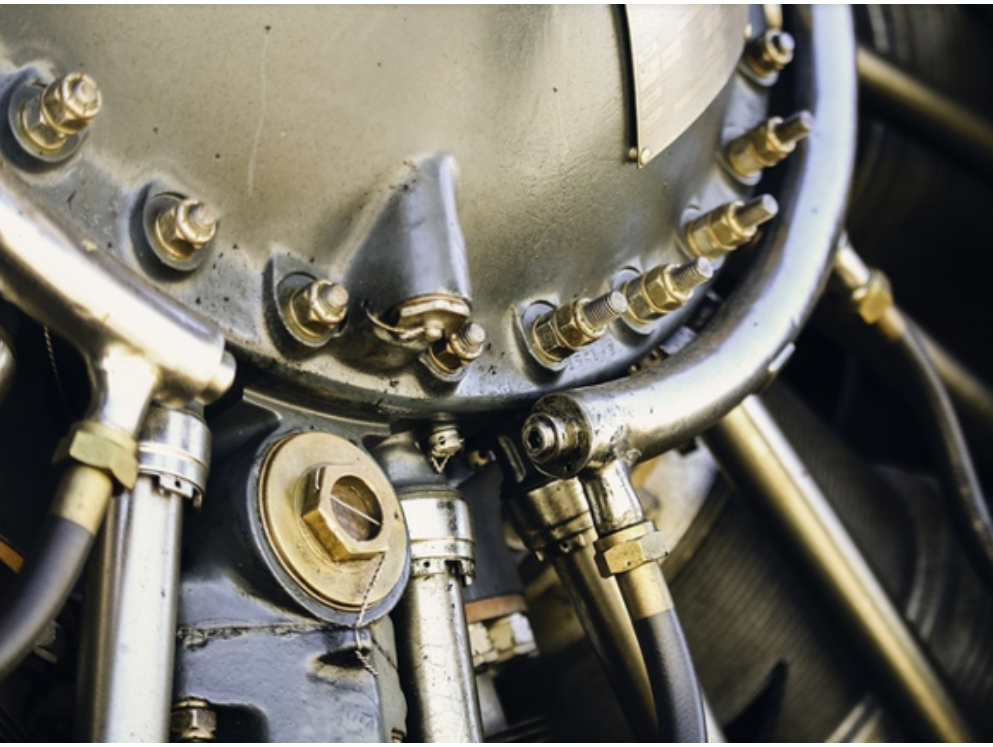

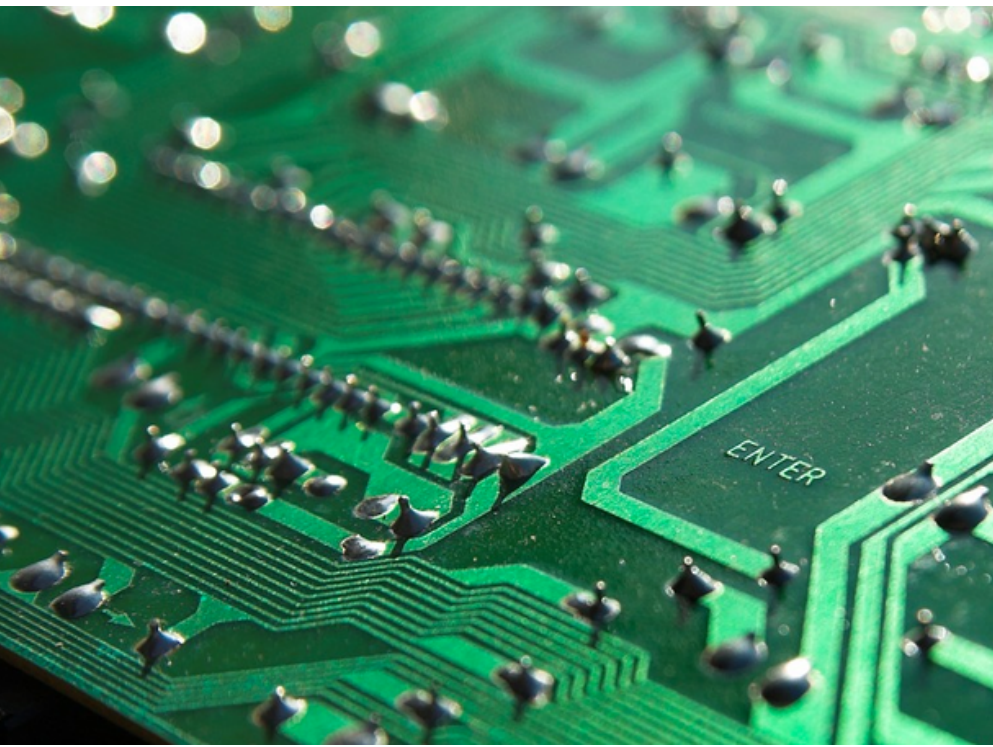

# WHY WORLD HOLDINGS IBD?

- 
- Cost reduction for our customers especially shortly time when needs it.
  - We enable to manufacture mass production and prototype.
  - We have engineering team that can design according to the client need.
  - We are a company our customer at a product planing stage in the production of a model .
  - We accomplish our customer to the serial production.
